SECOND ANNUAL CELEBRATION OF WOMEN AND GIRLS Sponsorship Opportunities

This fun-filled, celebratory event showcases local female performers and raises funding to support important programs at both the Oasis Center for Women & Girls and the PACE Center for Girls. This partnership between the two organizations is one of the most unique and rewarding aspects of the event. Your sponsorship will be noted and appreciated by the supporters of both organizations!

The Second Annual Celebration of Women and Girls features female artists from the Big Bend who promise a diverse evening of talent. Performances include dancing, music, a literary reading, and acting by both women and girls, and more - who all live right here in Tallahassee! There will be food created for foodies by foodies, a cash wine and beer bar, and a fabulous silent auction. Tickets are \$35 per person for general seating and \$75 per person for reserved seating.

Friday, September 23 Tallahassee Little Theatre

5:30–6:45 Reception
7:00 – 9:00 Performances
(1/2 hour intermission)

Important things for Potential Sponsors to consider:

- All sponsors will have their logos placed in a 1/3 page “thank you” ad to run in the November/December issue of Tallahassee Magazine; VALUE: \$995
- Sponsors will receive complimentary reserved seating tickets in the orchestra section of the theatre.
- We expect a big crowd! Last year when the event was new 125 people attended. The feedback we received was that it was a huge “must attend” hit. This year we believe we can fill the theater, which has 270 seats.
- Our Top Billing Sponsor will have the unique opportunity for significant visibility at three events for **two different organizations** over the **next 10 months**. This sponsor will be prominently featured at the Celebration as well as at Oasis’ Women’s History Month luncheon in March and the PACE golf tournament at Golden Eagle in April. In addition we will promote your relationship with both organizations in numerous other ways during the 10 months, including continuous website presence and newsletters.
